

Add Philosophy to the Leaving Certificate

Philosophy builds important skills: evaluating and constructing arguments, navigating complex ethical decisions, evaluating evidence, questioning unexamined assumptions. These skills matter today more than ever. The NCCA is redeveloping the Senior Cycle. They are already adding Drama and Climate Action. This is the perfect moment to add Philosophy too!

\$52.6k \$94.3k

Highest early- and mid-career salary of any humanities major in the US.

APA / Payscale

3.2% unemployed

Less unemployment than finance (3.7%) and computer science (6.1%) grads.

NY FED, 2025

#2 LSAT · Top GRE

Second-highest LSAT score of any major, and top-tier GRE scores too.

LSAC / ETS
